Treasurer Carolyn Skowron SI/Raleigh, NC

Hello Central East Coast Region!

I'm so excited to invite you to our 6th annual Spring Conference. One of the most important aspects of attending a conference is the opportunity to network and connect with fellow Soroptimists. I believe that these interactions can lead to collaborations, inspiration, and professional growth.

Why Ocean City, Maryland? Ocean City is more than its beautiful beach. Get your taste buds ready for a culinary journey and explore the many dining options from seafood to farm-to-table. If you are adventurous, you will find plenty of excitement in the coastal city. Springfest 2024 is May 2nd to May 5th, It's not just an event, it's a symphony of music, good food and artistry.

The theme continues to be: "Let's Live It, Let's Dream It, Let's Achieve It". That's what we as Sorptimist do. This is a time to celebrate the wonderful work we have done this past year to serve the women and girls in our communities.

As in years past we have put together an energetic collection of workshops and presentations. I know you will enjoy Ocean City and the fellowship with Soroptimists from around the region. Don't miss this wonderful opportunity to renew friendships and to dream.

See you in May in Ocean City,

Governor Roxanne

## 2024 Spring Conference Speaker

## Sue Riney Secretary/Treasurer and Federation Director Soroptimist International of the Americas Member, SI/Oak Harbor, WA

Sue Riney is a 28-year member of SI Oak Harbor in the Northwestern Region, and is presently serving as SIA Secretary/Treasurer. As current chair of her club's Live Your Dream Award program, and committee member for Dream It, Be It, she experiences what she considers the best part of being a Soroptimist: witnessing the transformative impact of our Dream

Programs on women, girls, and their families. Sue retired in 2020 following 40 years in banking as a Vice President and Project Manager. She is a ruling elder at Whidbey Presbyterian Church, where she also chairs the Worship Committee and coordinates the tech team. Sue and husband Jim live on Whidbey Island, where in her personal time she's tackling jazz dance classes, explores beach and forest trails, conquers waves with her kayak, enjoys theater and other cultural events and activities, participates in lively book club discussions (occasionally starting a heated debate on the best book endings), and wakes up each day excited to discover what challenges and positive opportunities lie ahead – because who said retirement slows you down? She is excited to be with you all for Spring Conference to hear the many great things happening in Central East Coast Region!
